

# Faulkton Area Foundation

## Grant Application Packet

### Board of Directors:

Lisa Mueller, Roxanne Bossly, Alicia Hammond, Dwight Hossle, Kevin Deiter, Dalton Baloun, Randy Tisher

## Applicant:

The Faulkton Area Foundation was formed in 2014 with a community challenge to raise \$200,000 in 5 years. With this challenge and continuous growth from foundation supporters, grants are offered on a bi-annual basis to ensure opportunity to all organizations. Typically, applicants must be non-profit, government, school, or church related and repeat proposals from one organization within a 12-month period are discouraged.

The grant funds offered from the Faulkton Area Foundation represent the interest earnings from the investment held in the trust by the South Dakota Community Foundation. The larger our investment, the more the Faulkton Area Foundation can give back to the community for projects.

Each grant recipient must complete all sections of the application and, if granted money, is expected to provide the foundation with a report of how the funds were spent and evaluation of what made their program or project a success. This expectation allows the foundation board to verify that the granting process remains successful and beneficial for the Faulkton Area.
