Fairy Dust is Magical

and so is the feeling that comes from helping those less fortunate.

It isn't always easy to make ends meet. Sudden illnesses, loss of employment, abuse and other issues can spring up and devastate strong individuals in our communities. We help them get back on their feet.

The Fairy Godmother's Fund is managed and endowed at the South Dakota Community Foundation. The fund was created to improve the health and well-being of people in South Dakota with limited resources. The fund helps them address immediate, short-term, critical needs that can't be met by traditional funding options.

A Fairy Godmother is always ready to lend a helping hand.

Through your contribution to The Fairy Godmother's Fund, you can help people of South Dakota. With your involvement, this can be a never-ending story of people helping people.

First-time contributors of \$100 or more will receive a fairy godmother lapel pin. We invite you to wear these to spark interest among other donors.

Advisory Council

The Fairy Godmother's Fund is advised by a council of individuals in South Dakota. The individuals volunteer their time to ensure funds are paid to the most pressing needs.
