SOUTH DAKOTA
COMMUNITY FOUNDATION

2310 Patron Parkway | Pierre, SD 57501

The South Dakota Community Foundation partners with local communities to create a long-term funding source to support needs and enhance the quality of life through its Community Savings Account program.

All donations are invested for long-term gains. Each year, a percentage of earnings are available to distribute to local charitable organizations by a local advisory council.

Local community foundations are a catalyst for growth and sustainability across South Dakota, creating a funding source that gives back today and lasts through tomorrow.
