

An aerial photograph of a rural South Dakota landscape. In the foreground, there are several large, cylindrical metal grain silos and a long, low barn. A small town with various houses and buildings is visible in the middle ground, surrounded by green fields and trees with autumn foliage. A winding river flows through the landscape, and in the background, there are vast, flat fields and a large body of water under a clear blue sky.

SOUTH DAKOTA COMMUNITY FOUNDATION

2020

ANNUAL REPORT

Bringing
philanthropy
to life for a
**STRONGER
SOUTH DAKOTA**

Our Mission

Bringing philanthropy to life for a stronger South Dakota.

Our Purpose

- Promoting philanthropy
- Receiving and administering charitable gifts
- Investing in a wide range of programs benefitting the people of South Dakota

Our Values

- Philanthropy as a preferred choice expressing a commitment to a better South Dakota
- Integrity, clarity and transparency in all we do
- Empowering donors to meet the needs of South Dakotans in their own unique way
- Strong local communities bonded through shared savings and investment
- Building long term relationships that focus on the strength and sustainability of South Dakota

Our History

The South Dakota Community Foundation (SDCF) first began in the imagination of former Governor George S. Mickelson. He believed our state needed an organization that would promote statewide donations and provide financial assistance to nonprofits. Thanks to his vision, SDCF was created as a public, nonprofit corporation on November 11th, 1987.

To establish the SDCF, the McKnight Foundation and the 3M Corporation issued a \$5 million challenge grant to the state of South Dakota in memory of South Dakota native William L. McKnight. The state of South Dakota committed \$2 million to the project. Within twelve months, the SDCF raised the additional \$3 million from private donors to fulfill the entire challenge grant.

The SDCF has grown the initial \$10 million endowment into approximately \$570 million in total assets. Today we manage more than 1,050 funds, and this number continues to grow. Through the generosity of South Dakotans and solid investment returns, the people and communities of South Dakota will benefit from the work of the SDCF for generations to come.

For Donors

We simplify the charitable giving process with straightforward fund establishment and charitable gift management.

For Advisors

We partner with financial and legal advisors to help individuals incorporate philanthropic goals into their estate plans.

For Communities

We help communities of all sizes achieve their goals through permanently endowed funds called Community Savings Accounts, which are invested with the SDCF and managed by a local advisory council.

For Nonprofits

We support charitable and nonprofit organizations throughout the state by offering grant opportunities, establishing agency endowment funds, and providing related administrative support.

Dear Friends,

This year came with many challenges, but as always, the generosity of South Dakotans shone through. In celebrating the giving and resilient spirit of our state's residents, we present the 2020 South Dakota Community Foundation Annual Report.

We are proud to share the Foundation's response to challenges due to COVID-19 and how our nonprofit partners answered the call to increase their impact during such a difficult time.

A Few Noteworthy Accomplishments

- Responded with \$2.25 million to nonprofits providing increased basic needs due to the pandemic
- Assisted with a variety of complex, current gifts totaling over \$175 million
- Granted nearly \$18 million from SDCF grant programs and all funds
- Added 77 new funds

The SDCF believes in philanthropy as a preferred choice to express commitment to a better South Dakota. The response of our donors, communities and nonprofit partners to the pandemic strengthened this belief. We are honored to have deep and lasting relationships in this state and look forward to bringing philanthropy to life for a stronger South Dakota for many years to come.

Sincerely,

Beth Benning

THE TESTAMENTARY CHARITABLE REMAINDER UNITRUST

A Solution to the SECURE ACT and BENEFICIARY INHERITANCE PLANNING

Did you know the SECURE Act
has dramatically changed the tax
law rules, substantially
**increasing the income
taxes paid by your
children on inherited IRAs?**

For more information about a
testamentary charitable
remainder unitrust and how it
can benefit you, contact us or
visit our website.

ARE YOU PLANNING TO **LEAVE YOUR IRA** TO YOUR CHILDREN AND OTHER HEIRS USING A STRETCH IRA PLAN?

If so, consider the benefits of using a testamentary charitable
remainder unitrust to replace your obsolete stretch IRA plan.

- + Spreads out the income payments over the lifetime of your heirs
- + Provides income tax savings to the heirs
- + Allows tax-free growth inside the trust
- + Protects heirs
- + Results in no taxes being paid on the IRA when it is distributed to the trust
- + Leaves significant charitable gifts to support your favorite causes

This information is not intended as tax, legal or financial
advice. Gift results may vary. Consult your personal
financial advisor for information specific to your situation.

The names and images shown here are representative of typical donors and may or
may not be actual donors to the organization. Under federal rules your benefits may

Investing in South Dakota's Future

The goal of the South Dakota Community Foundation (SDCF) is to make giving simple and effective by providing trustworthy guidance and investment management.

HOW THE GIVING PROCESS WORKS

When you establish a fund at the SDCF, the principal of your charitable donation is invested. Each year, a percentage of your fund's value is made available for distribution through grants to charitable causes. As investment returns accumulate, the fund will continue to impact South Dakota forever. We put the power of endowment to work for good.

WHERE YOUR DONATIONS GO

We work with you, your family and/or your financial advisor to make giving to causes you care about a seamless process. We offer a variety of fund types to meet your charitable goals. For example, you can designate specific charitable organizations, set up a scholarship for local students, support your local Community Savings Account or make a broad impact on culture, economic development, education, or health and human services.

WHO WE SERVE IN ADDITION TO DONORS

Nonprofit Organizations: In 2020, nonprofits received over \$1.9 million from the SDCF through the South Dakota Fund, Community Innovation and Nonprofit Savings Account grant programs. In addition, \$16.1 million was distributed to nonprofits through funds the SDCF manages on behalf of donors. The SDCF also offers agency endowment funds to help nonprofits create long-term funding sources.

Communities: The SDCF offers a fund type specifically for communities called Community Savings Accounts (CSA). A CSA will help support basic needs and enhance the quality of life within a community through grant awards to local charitable organizations for years to come. Today, 80 South Dakota communities have partnered with us to make positive changes for their area.

Advisors: We partner with professional advisors to help clients accomplish their charitable goals through estate planning.

Fund Types

1,056 FUNDS | \$570 MILLION

The South Dakota Community Foundation consists of more than 1,050 funds that hold a combined total of approximately \$570 million. Each fund type allows a community, donor or nonprofit to accomplish their desired goals. See which fund type best fits your charitable intentions.

The percentages listed reflect the portion of total SDCF assets each fund type represented as of December 31, 2020.

DESIGNATED FUNDS 44%

Benefit specific charitable organizations selected by the donor. With a designated fund, you can support organizations that are important to you for generations.

DONOR ADVISED FUNDS 28%

Allow donors maximum flexibility with their giving. Each year, donors recommend nonprofit organizations to receive grants. Donors can also name successor advisors to continue the giving tradition or designate the organizations they would like to receive benefits beyond their lifetimes. **Find out how a couple partnered with SDCF to create a donor advised fund to establish a long-term funding source for nonprofits they care about on page 12.**

AGENCY ENDOWMENT FUNDS 11%

Create a long term funding source to support nonprofit organizations. **Learn more about our Nonprofit Savings Account challenge recipients on page 38.**

COMMUNITY SAVINGS ACCOUNTS 8%

Give community members a way to support basic needs and enhance the quality of life in their hometown. A local advisory council raises funds and distributes grants in the community. **The community of Huron has created a legacy for their area in partnership with local families. Read more on page 51.**

SCHOLARSHIP FUNDS 5%

Benefit South Dakota high school graduates pursuing higher education. As a scholarship fund holder, you will set the focus of the scholarship and application parameters. The SDCF will handle all the paperwork necessary to comply with federal regulations and issue the scholarship checks.

SOUTH DAKOTA FUND 3%

Help meet the diverse and vital needs of people across the state in the areas of culture, economic development, education, health and human services. Donors can establish a named fund within the South Dakota Fund to honor their family forever. The SDCF Board of Directors selects grant recipients throughout the year based on a competitive grant selection process. **During the pandemic, SDCF repurposed all grant making from the South Dakota Fund to respond to pandemic-related needs. Read more on page 31.**

FIELD OF INTEREST FUNDS 1%

Support broad areas of interest, specific issues, people, or geographic area. Donors can choose to support causes represented by existing field of interest funds or start their own. The SDCF Board of Directors awards the grants from these funds each year. **The CSA Matching Funds for Coronavirus Response and Knight Foundation COVID-19 Aberdeen Funds were established to address needs due to the pandemic. The Bareis Family

Creating a Charitable Legacy

Pictured left to right: Marlowe, Paul, Anne, Steve, Jean, and Dr. Reuben Bareis

Passing down the Christian tradition of “in giving, comes receiving” was the way Dr. Reuben Bareis and his late wife Marlowe lived their life and raised their family. Moving to Rapid City in 1957, both were committed professionals and became engaged community residents.

To accomplish their retirement goals, the Bareises sought to sell their interest in their established medical facility. An outright sale would have resulted in a large tax burden. Their attorney encouraged Reuben and Marlowe to gift their portion of the building to the South Dakota Community Foundation. As a result, the Bareises would bypass the capital gains on the sale and the proceeds would be invested into a donor advised fund. They met with Foundation staff and discussed how the SDCF could provide structure through a donor advised fund and would allow them the flexibility to make grants

to nonprofits they wanted to support. Working with the SDCF proved to be a good financial decision and estate planning opportunity.

“We were impressed with the thought of a continuing legacy buoyed by an organization familiar with investments,” said Dr. Bareis. “I learned long ago, ‘a person who self-doctors, has a fool for a doctor,’ and the thought that the final grant recommendations were family -advised, appealed to us.”

A permanent endowment at the SDCF is an alternative to a private foundation that allows families to pursue philanthropy in a structured manner. It is a legacy vehicle that can be passed on to future generations and is a wonderful way to teach children and grandchildren about stewardship.

Grant recommendations from the Reuben and Marlowe Bareis Family Fund over the years have been given to South Dakota

nonprofits such as South Dakota Public Broadcasting, Crazy Horse Foundation, Black Hills Playhouse, and others. “My Christian background, plus a longtime association with the non-political and non-religious Rotary Club helped to cultivate an interest and passion to give back. I’ve been blessed with my own talents and talents of others that have made it possible to afford to help others,” said Dr. Bareis.

Donor Spotlight Scott & Julia Jones

More than 200 years ago, theologian John Wesley wrote, “Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you can.” Scott and Julia Jones of Pierre embody and embrace this philosophy.

“While their generosity is well-known throughout the Pierre-Fort Pierre community—their giving extends across the state, and frankly, across the world,” said Stephanie Judson, SDCF President & CEO.

The Joneses believe that to whom much is given, much is required. “We try to be good stewards of our time, talents, and treasure,” said Scott. “We leverage tax laws to give as much and as efficiently as possible during our lifetime, and we will direct most remaining assets to favorite charities in our estate plan.”

Scott and Julia have provided gifts to dozens of nonprofit organizations in recent years, including several six and seven-figure gifts. They are often able to leverage their gifts along with other donors, increasing the impact of their generosity.

In addition to their financial support, both have served in leadership roles on several nonprofit boards. Between the two, they have chaired many fundraising campaigns and often were the lead donor and the lead fundraiser. “We feel fortunate to be in a position to support the work of so many who have made helping others their life’s work,” said Julia.

Scott serves as CEO of Delta Dental of South Dakota and leads by example. The charitable programs delivered by Delta Dental and the gifts made by the Delta Dental of South Dakota Foundation are a result of the culture that he has created. Ask any of his board members, and they will tell you how his personal commitment to giving back to the community has fostered a business model that encourages others to do the same—board and staff alike. Delta Dental of South Dakota embraces Scott’s philosophy and has donated more than \$40 million to programs to improve the oral health and overall health of South Dakotans. The company has a generous employee gift matching program and has made contributions in honor of staff and retiring board members. Several have followed this example and have stepped up to make gifts alongside Scott and Julia.

Former Delta Dental of South Dakota Board Member, Dr. Dale Gibson had this to say about the Joneses: “I had the opportunity to serve on the Delta Dental of South Dakota Board of Directors for 33 years, 17 as board chair. Scott’s visionary leadership and personal philosophy have fostered a profound commitment to giving back to the communities we serve through our programs and our grant dollars. He and his wife Julia are incredibly generous individuals, and I have personally been inspired by their actions, as have many others on our board.”

Scott and Julia Jones
South Dakota Governor's Mansion

Julia spent her career as an audiologist, specializing in pediatric care. Her passions include providing care and comfort for pets served by the community's humane society. She and Scott adopt elderly dogs, ensuring their days will be lived in a loving, caring environment. Julia recently retired, allowing her more time to focus on her family, dogs, and volunteer work.

In October 2017, Scott joined the SDCF Board of Directors. "We've been fans of the SDCF for many years," says Scott. "We have great confidence in the staff and board leadership. SDCF is efficient, invests funds wisely and has very reasonable fees."

Judson recalled a discussion with Scott to gauge his interest in joining the SDCF board. "It was a visit I will never forget. He very pragmatically and thoughtfully explained his and Julia's philanthropic ambitions, both now and long into the future. As he explained, 'we have many gifts we want to make now, and then we plan to work on legacy gifts.' When asked about when he plans to join Julia in retirement, Scott responded, 'When we have fulfilled our charitable goals.'"

To create their legacy, the SDCF has partnered with the Joneses in managing endowments that will provide grants in perpetuity to causes the Joneses care about. "As Scott moves closer to retirement, we are shifting more of our giving to endowments to enable us to maintain our support of favorite charities post-retirement," said Julia. "When our estate gifts are eventually added to the endowments we establish during our lifetime, they will support our favorite charities forever."

Julia and Scott with a few of their dear rescue dogs, Tanner, Joe and Toby. In addition to giving their time, talent and treasure, Joneses are passionate about giving elderly rescue dogs a good home for the final years of their life.

If you, like the Joneses, are interested in creating a legacy to support your favorite nonprofits, please call SDCF at (800) 888-1842 or visit SDCommunityFoundation.org. We will provide you with resources to reach your charitable goals.

Another excerpt from John Wesley's writings poetically describes the philosophy Scott and Julia embrace in their everyday lives. Wesley wrote, "Use your God-given gifts well and wisely to earn all that you can, that you might practice frugality and save all that you can, that you might have more than enough so that you are able to give all that you can."

2020 Donor List

Behind each fund at the South Dakota Community Foundation, there is an individual, family or community who has a strong desire to help others. We are inspired by the generosity of South Dakotans who gave nearly **4,500 individual gifts** through the SDCF in 2020.

The Faulkton Area Foundation met its challenge to raise \$200,000 and received a \$50,000 match from the SDCF. Because of many donors and SDCF's matching grant, over \$250,000 is permanently held at SDCF for the benefit of Faulkton-area charitable causes.

The newly-completed building will provide the SDCF with room to grow, increasing capacity to provide assistance to nonprofit organizations in South Dakota.

A Groundbreaking Year

Amidst all the challenges and successes of 2020, the SDCF began and completed design and construction of a new, approximately 7,500 square-foot office building in Pierre. The new space provides much needed space for our current staff and allows the Foundation room to grow. Under the guidance of the SDCF Board Building Committee, SDCF worked with Puetz Design + Build from Mitchell to complete the project.

“We are very grateful for continued growth and success due to the generosity of our donors. I commend our board for recognizing the importance of planning for our future,” Stephanie Judson, President and CEO of the SDCF said. “This new building gives us the opportunity to expand our capacity so we can continue to provide support to South Dakota organizations and explore new and exciting ways to do so.”

SDCF staff officially made the move to the new facility on February 1, 2021. An open house reception is tentatively planned for the spring.

A small conference room will accommodate smaller group meetings.

A modern feature wall greets visitors at the entrance of the SDCF.

The new building provides staff with office space to continue to do the work of the SDCF.

The kitchenette area will be useful for future receptions or open-house gatherings at the SDCF.

2020 Grants

Nonprofits can visit SDCommunityFoundation.org to learn more about our different grant programs including guidelines and application instructions.

Helping Nonprofits Help Others

Nonprofits are important to individuals and families in South Dakota. The SDCF offers a variety of grants to support the work of nonprofits across the state. Each grant program has a different focus and application procedure.

1 SOUTH DAKOTA FUND GRANTS & COMMUNITY INNOVATION GRANTS \$997,533 / 86 Grants

In early spring of 2020, the **South Dakota Fund** grant program along with the **Community Innovation Grant** (CIG) program, in partnership with the Bush Foundation, were reprioritized to focus solely on the Coronavirus and its impact on our state. The SDCF Board of Directors worked tirelessly to expedite the process and get funds out as quickly and judiciously as possible.

Boys & Girls Club of Rosebud

The Boys & Girls Club of Rosebud received a South Dakota Fund grant to assist with the purchase of a vehicle to transport children from several neighboring communities to the Club. Through the mentorship of staff and programming, Club members learn how to live healthy lifestyles, develop good character, improve academically and set goals for the future.

2 CORONAVIRUS RESPONSE FUND \$845,182 / 43 Grants

The **Coronavirus Response Fund** was created in early March 2020 to help communities and nonprofits deal with the myriad of issues resulting from the coronavirus. Seeded with dollars from the South Dakota Fund and buoyed by contributions from generous donors, distributed funds targeted front-line, immediate assistance to community partners and nonprofits across the state. Grants focused on providing for basic needs including food, clothing, personal protective equipment for healthcare workers, and mental and telehealth services.

Feeding South Dakota

Food security was and continues to be a statewide issue that was magnified by the coronavirus pandemic and related economic downturn in 2020. The SDCF awarded Feeding South Dakota a \$110,000 grant to address the food crisis across South Dakota. Shown in this photo is a centralized community food distribution event held in Sioux Falls in September 2020.

3 NONPROFIT SAVINGS ACCOUNT GRANTS \$80,000 / 4 Grants

The **Nonprofit Savings Account** program enables nonprofit organizations to mobilize their donor base to build a sustainable revenue stream. The intent of the program is to spark the growth of endowed funds that can support nonprofits now and well into the future. The SDCF Board of Directors selects recipients.

Performing Arts Center of Rapid City

Meeting a challenge grant during normal times is not easy, and the task is even more difficult during a pandemic. Congratulations to the Performing Arts Center of Rapid City for meeting its Nonprofit Savings Account challenge grant despite those challenges. This grant created an endowed fund with the SDCF to ensure long-term revenue to support the organization.

4 FOUNDATION GRANTS \$16,000,000 / 2,517 Grants

Foundation Grants encompass all grants and scholarships distributed by individual funds administered by the SDCF. Fund holders, scholarship committees and local Community Savings Account advisory councils recommend grant recipients to the SDCF, which then distributes checks to nonprofits.

Aberdeen Area Community Foundation

This Community Savings Account supported the launch of an Aberdeen chapter of Sleep in Heavenly Peace, an organization dedicated to providing beds for children whose families cannot afford one.

PROVIDING SUPPORT ACROSS OUR STATE

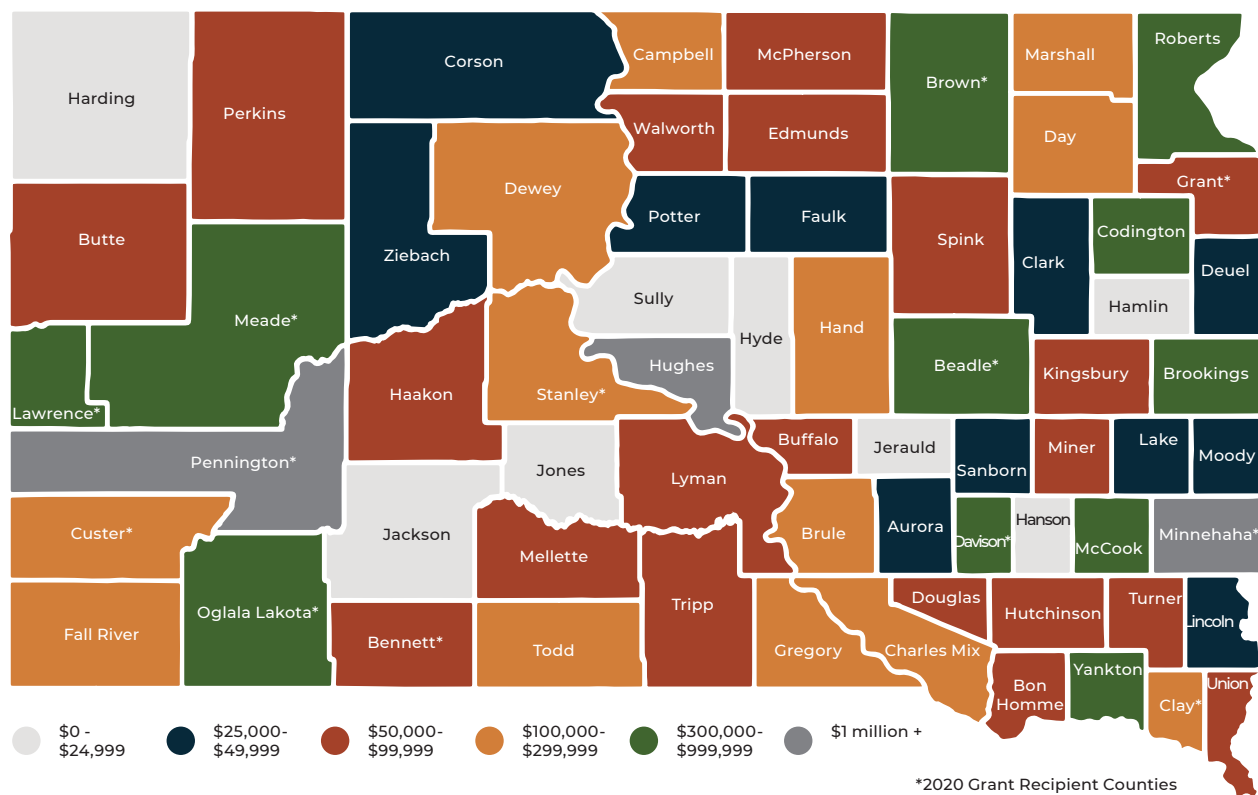

The South Dakota Community Foundation (SDCF) awarded 86 grants totaling nearly \$1 million in 2020. These grants were made from the reprioritization of South Dakota Fund and Community Innovation Grants to focus on the effects of the coronavirus and its impact on our state. These grants were distributed to charitable and nonprofit organizations across South Dakota. The Foundation received 176 applications, with requests totaling over \$2,700,000 during 2020.

In the past, SDCF's Board of Directors reviewed applications and awarded grants to nonprofits in five areas of focus including culture, economic development, education, health and human services. Coronavirus pandemic relief was the sole focus of the board's decision-making processes that began in March 2020.

2020 – Responding to a Year Like No Other

The South Dakota Community Foundation (SDCF) reprioritized and streamlined grant programs to focus efforts on responding to the coronavirus in 2020.

The pandemic had and will continue to have a huge impact on our state's nonprofits. While the demand for services increased, CDC guidelines necessitated reducing in-person services. Volunteers, which every nonprofit depends on, were scarce. Many nonprofits experienced decreased donations and contributions as donors experienced their own hardships. Fundraising events had to be cancelled. Providing services online proved challenging as many nonprofits lacked the necessary equipment. Staff were in dire need of training on how to successfully implement virtual programs. When facilities were able to open again on a limited basis, funds were needed for personal protective equipment (PPE) and cleaning supplies. Staff retention became more difficult. Despite the difficulties, nonprofits across our state rose to the challenge and initiated new and unique ways of delivering services to clients.

The programs highlighted in this article represent a cross section of those nonprofits that continue to provide services despite numerous challenges. Ginger Niemann, SDCF senior program officer, said, "It was very difficult choosing just four nonprofits to highlight in a year of grantmaking that has been unprecedented in the sheer numbers and depth of need. These four nonprofits have different missions and clientele, but all worked diligently to meet the need during a very challenging time. We are proud to have played a small part in that."

We can all remember how we felt when many of us were asked to "shelter in place" last spring when the pandemic first hit. Our homes became the command center, from which we worked, educated our children and stayed in touch with loved ones while "social distancing." Now, try to imagine doing all this if you were without a home.

Volunteers of America Northern Rockies (VOA) has been on the frontlines of providing services to low or no income individuals in western South Dakota who have been impacted by COVID-19. The organization received a \$20,000 grant through SDCF's Coronavirus Response Fund. Funds supported temporary hotel placement for homeless families and high-risk individuals along with diaper distribution for infants and toddlers.

"Without the continued support of partners like the South Dakota Community Foundation, it would not be possible to serve the thousands of people in need each year in the Black Hills," said Jeff Holsinger, CEO, Volunteers of America Northern Rockies. "We look forward to supporting even more this year as we all work for a stronger South Dakota."

Partnership With Native Americans

Elder Georgia expressing her thanks for food distribution in the community of Wanblee on the Pine Ridge Reservation. Standing behind her is PWNA partner Phyllis Swift Hawk.

Partnership With Native Americans (PWNA) is a 501(c)(3) nonprofit organization committed to championing hope for a brighter future for Native Americans living mostly on remote, geographically isolated and often impoverished reservations. PWNA provides year-round services for Native American tribes in nine priority states including South Dakota.

All the tribes served by PWNA have been impacted by the COVID-19 pandemic. Native American tribes have some of the highest rates of infection in the United States. The pandemic also highlighted the food insecurity that exists in nearly all rural and geographically isolated communities. Most reservations exist in food deserts. Grocery stores for some communities may be an hour or more away. SDCF granted \$15,000 to PWNA to provide much-needed services.

"COVID-19 increased food insecurity nationwide, but for 23 percent of Native families who were food insecure before the pandemic, COVID added even more stress," stated Joshua Arce, PWNA President & CEO. "It is only with the generosity of groups like the South Dakota Community Foundation, committed to supporting tribal communities throughout the pandemic, that we were able to deliver emergency food and other essentials to the tribes in South Dakota."

PWNA made 24 deliveries of needed relief to seven of the nine reservations in South Dakota (Pine Ridge, Standing Rock, Cheyenne River, Crow Creek, Rosebud, Lake Traverse and Yankton Sioux). They also supported Tribal Emergency Managers and local community leaders by offering Disaster Preparedness and Emergency Response in South Dakota with laptops and hotspots to support them in their work.

The Community Outreach

Left to right: Jeff Veltkamp, SDCF Director of Development is shown presenting a check to Amy Benda, Executive Director, The Community Outreach and Peter Nord, Resource Development Manager, The Community Outreach

The Community Outreach is a nonprofit social work ministry providing guidance, education and financial assistance to the working poor in the Sioux Empire.

A \$20,000 grant helped support families in financial crisis due to unemployment imposed by the coronavirus. Following the coronavirus outbreak, The Community Outreach experienced an overwhelming increase in requests for support due to unemployment in the community. As a first stop for a family in financial crisis, it is a key organization serving those in need of safe, affordable and permanent housing. Help is offered for everything from rent and utilities to transportation to and from work.

"We work to flatten the curve of homelessness in our Sioux Falls community," stated Peter Nord, Resource Development Manager, The Community Outreach. "We appreciate the smooth and easy process the South Dakota Community Foundation established to request grant funds. It enabled us

to get assistance to many more families as soon as possible. Without the support of the Foundation, we would not have been able to offer support to many more people."

Glacial Lakes Multicultural Center, Inc.

The Multicultural Center provides many services for its clients.

Immigrants have been adversely impacted by COVID-19. Many are front-line workers earning minimum wage. They have no reserves to carry them through if they or a family member get sick.

Glacial Lakes Multicultural Center, located in Watertown, SD embraces and celebrates diverse cultures by promoting understanding and respect for all. Created in 2019 to provide services to immigrants in northeast South Dakota, their services include immigration assistance, translation and interpretation and English as a Second Language (ESL) classes.

This organization received a \$15,000 grant that provided partial support for a full-time staffer assisting immigrants working in the dairy industry along the I-29 corridor. "This grant has enabled us to continue services for our immigrant clients without interruption," said Sister Teresa Wolf, Director, Glacial Lakes Multicultural Center, Inc.

Several of their clients responded with their own words of gratitude for these services and the difference they have made in their daily lives:

"Yesika [Assistant Director of Glacial Lakes Multicultural Center] has interpreted at my children's school since they were small – parent conferences, registration, etc.," said Gladis. "She helps with interpretation at the clinic and the hospital, with the mechanic and with car insurance."

Jose responded, "Yesika helps me with interpretation of different services, such as hospital, telephone and personal care insurance."

"Yesika is very nice and helps me with many things including banks and cars and hospitals," declared Sophia.

Community Savings Account COVID-19 Matching Fund Grants

To aid South Dakota communities during the COVID-19 pandemic, SDCF partnered with our local Community Savings Accounts (CSAs) and provided matching funds toward CSA grants to address a myriad of issues. Distributions assisted food pantries, backpack programs, senior meal distributions (meals on wheels programs), nonprofit daycares, face masks and other personal protective equipment for local healthcare providers, tablets for telehealth programs and others. We were honored to partner with our 80 CSAs across South Dakota to address our state's needs during a very difficult time.

IMMEDIATE AND FUTURE SUPPORT FOR NONPROFITS

The SDCF is committed to strengthening nonprofits in our state. We recognize the value of committed staff, volunteers and the importance of consistent funding to support their work. We want to partner with a nonprofit's supporters in building endowment funds that will help support their mission for years to come.

Organizations are selected through a competitive application process and will receive \$1 from the SDCF for every \$4 raised (1:4 match) – up to \$20,000. These challenge grants will create new designated funds for each of the successful applicants.

An added benefit of this program is that administrative burdens are removed from nonprofits. The SDCF handles all donor contribution receipts, commingles contributions for investment purposes and completes all necessary tax filings and audits.

2020 NONPROFIT SAVINGS ACCOUNT GRANT RECIPIENTS

Abbott House

Created in 1939 with headquarters in Mitchell, Abbott House provides premier services to youth and families. The agency serves more than 130 South Dakota children annually in three programs. Those three programs include a residential treatment center, therapeutic foster care homes and an independent living program. Abbott House opened two more therapeutic foster homes in the Black Hills of South Dakota in 2016-2017. Abbott House provides children with a second chance at youth – a place of hope and recovery.

Aberdeen Area Humane Society

Serving a very large area encompassing much of north central and northeast South Dakota as well as south central and southeast North Dakota, the Aberdeen Area Humane Society in Aberdeen, SD originated in 1982. It is their mission to shelter homeless animals, place animals into good homes and to rescue animals from abusive situations. The organization is the only no-kill animal shelter in the region.

Mitchell Area Safe House

The Mitchell Area Safe House provides emergency and/or transitional housing for adult victims and their children escaping domestic violence and/or sexual assault. Trained advocates provide support and referral services for victims of abuse. Established in 1984, the Safe House serves eight counties including Davison, Aurora, Hanson, Sanborn, Douglas, Jerauld, Hutchinson and Miner.

Post 22 Baseball Foundation

Since 1926, Post 22 Baseball, an American Legion Baseball team, has been a part of Rapid City. They lead South Dakota in tournament wins including being Legion World Series Champions in 1993.

The Canistota Community Foundation presents a \$1,300 grant to both the United Women's Society and Canistota Fire Department. Dollars raised by the CCF were matched by the SDCF CSA COVID-19 Matching Fund. The United Women's Society provides food to those in need and manages the area backpack program. The local fire department provided personal protective equipment to community members during the pandemic.

Community Savings Accounts

A Lasting Community Impact

The South Dakota Community Foundation (SDCF) has partnered with 80 communities across South Dakota to form Community Savings Accounts (CSA). A CSA provides current, past and future residents with the opportunity to give back to the town they call home.

With the SDCF's careful investment, the CSA will continue to grow and support annual awards and grants in perpetuity, ensuring the community continues to thrive for years to come. CSAs are under the control of a local advisory council. These leaders direct fundraising efforts and recommend the distribution of available funds. Under local recommendation, the money raised in the community stays in the community.

NEW CHALLENGE OFFERED

- First Fidelity Bank & Gregory Community Foundation

ONGOING CHALLENGES

- Wolsey/Wessington Community Foundation
- North Brown Community Foundation
- Faith Area Community Foundation
- Huron Community Foundation
- Miller Area Foundation
- Highmore Area Foundation
- Pierre/Fort Pierre Area Community Foundation

2020 CSA ACCOMPLISHMENTS

- CSAs distributed nearly \$263,000 toward needs in their communities due to COVID-19. The SDCF was honored to match these grants (see page 37) with nearly \$214,000 from the Coronavirus Response Fund. View page 53 for more information on the program.
- Faulkton Area Foundation met its challenge by raising \$200,000 to receive \$50,000 in matching funds from the SDCF.
- First Interstate Bank Lead-Deadwood Area Foundation completed its challenge by raising \$60,000 and received \$7,500 in matching funds from the SDCF.
- Since inception, the SDCF has contributed over \$1.45 million in challenge grants to build the endowed assets of local CSAs.
- Total donations to CSAs exceeded \$877,000.
- CSAs awarded over \$1.9 million through 443 grants to nonprofit organizations in their communities.
- Endowed assets supporting South Dakota communities exceeded \$42 million.

The Huron Community Foundation recently completed a CSA challenge and received \$12,500 in February 2020 and another \$12,500 into 2021 from the Farrar Family Community Development Fund for raising \$200,000 toward their endowment.

Huron Community Foundation

Moving Huron Forward

“Huron is a small community full of people willing to give some of their time, talents and treasures to those less fortunate,” said Huron Community Foundation (HCF) advisory council member Dr. Mike Fuchs. “If a small town is to be a forward-thinking community, one desiring to attract new business opportunities with all the subsequent positives, a significant pooling of public and private sector resources must occur. The HCF is a main player in such a shared effort for moving Huron forward. It has provided businesses and private individuals the opportunity to support many significant projects aimed at making Huron a better place to live.”

The HCF was initially proposed by Dick Werner who had experience working with a Community Savings Account (CSA) while living in a different town. On April 1, 2004, he organized a group of 20 local business leaders, along with Bernie Christenson, founding President of the South Dakota Community Foundation (SDCF), to get to work establishing the HCF.

The SDCF offered a \$50,000 challenge grant if the HCF was able to raise \$200,000 in three years. Because of the community's generosity, a short eight months later the foundation

had raised the funds necessary to receive the challenge grant from SDCF. Although Dick has since moved to Herreid, he continues to take an active interest in HCF's success.

“The SDCF is our most valuable and trusted partner,” said Steve Gohn, HCF President and SDCF Key Club Member. “The SDCF provided a template and resources that allowed our advisory council to focus on fundraising and grant administration. People really appreciated the fact that their donation would go into a permanent endowment and only the interest would be used to grant back to organizations.” He added, “It's pretty powerful when you can tell people that their contribution will continue to give back to the Huron community in perpetuity.”

The HCF focus for grantmaking is very broad and consistent. HCF has worked with the city, school, chamber, development corporation, State Fair, housing groups, and dozens of nonprofits over the years. One of the CSA's primary criteria for grants is that the project should impact as many residents as possible.

FAMILY FUNDS

The HCF has partnered with many local families to create their charitable legacy for the local area. Several donors said that learning about the centralized process for grant applications and administration was a deciding factor for them to start a Family Fund in cooperation with the HCF.

Terry and Nancy Schiltz of Huron established a family fund as a sub fund of the HCF in 2019. SDCF recognized their generosity to the Huron area with the Hometown Hero award

“Partnering with the HCF is literally like having an ‘Easy Button’ for our Family Funds and other HCF associated sub-funds,” said David McGirr, HCF advisory council member. “We actively solicit grant applications from our community. The family and other sub-funds review them and approve funding for projects they like and/or specific nonprofit organizations. Then, the HCF handles all the administration and monitoring with each of the grant recipients on behalf of those funds.”

The HCF partners with four families and encourages others to consider creation of charitable sub-funds. “These growing family funds will continue to support many of HCF’s traditionally funded smaller grant requests, allowing the HCF to ‘think outside of the box’ to create larger projects that are needed to allow Huron to grow,” said Dr. Fuchs.

RESPONDING TO A PANDEMIC

Early in the pandemic the HCF decided it needed to be a proactive resource for the community. Rhonda Kludt, one of HCF’s newer leaders and the former director of United Way, volunteered to reach out to local food pantries, the backpack program, civic organizations, and the senior center to get a first-hand account of what their needs were in the beginning stages of the pandemic.

“We shifted our focus to making sure that there was an ample food supply and shelter for individuals and families disrupted by the pandemic,” said Gohn. “We also provided significant funding to support rental assistance to families that were impacted,

as well as supporting a program to provide zero-interest loans to local small businesses.”

In partnership with many CSAs including HCF, SDCF provided dollar-for-dollar matches through the CSA COVID-19 Matching Fund. HCF provided grants to the Salvation Army’s food box program and Huron Area Senior Center’s Meals on Wheels program.

“Our board can’t thank the SDCF enough for setting up the COVID-19 CSA matching grant program,” said Gohn. “Through this program we were able to fund two separate grant applications to make sure that our local food pantry was adequately stocked.”

THE CHARITABLE LEGACY CONTINUES

“What I personally love about Huron is the fact that it is a giving community,” said HCF advisory council member Mary Pearson. “Whenever a need arises, the entire community rolls up their sleeves and chips in to make it happen. No matter how big or small the need is.”

Through crisis and more stable times, the HCF is and will be a consistent source of support to charitable causes and the Huron area.

“The single biggest reason that I love Huron as a community is the people. This town makes it easy for people to get involved and make a difference,” said Gohn.

Dr. Michael and Mary Fuchs of Huron have been generous supporters of the Huron Community Foundation. Dr. Fuchs serves on their advisory council. In addition, Mike and Mary established the Mary E. Fuchs Scholarship Fund to provide financial support to graduates of the Abbott House. SDCF recognized their generosity to the Huron area and Abbott House with the Hometown Hero award.

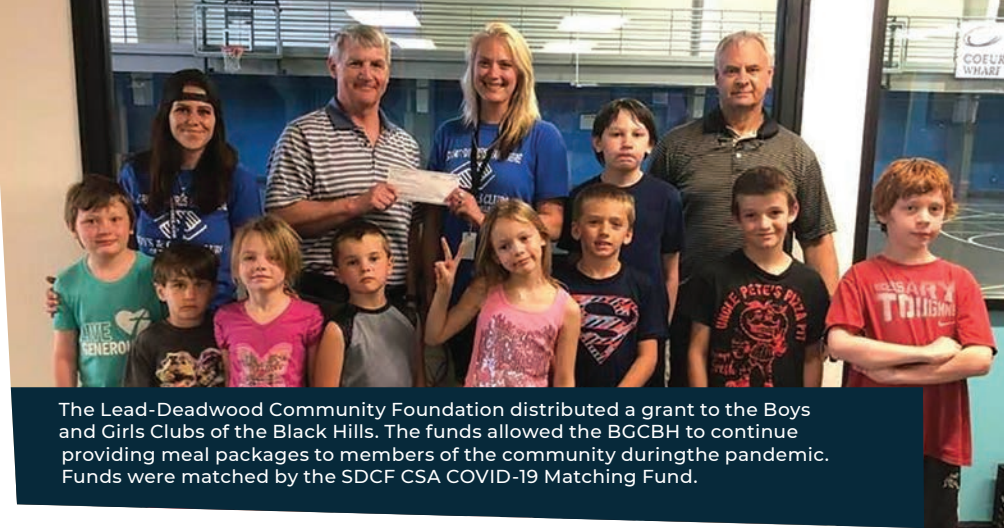

CSA COVID-19 Matching Fund Program

To respond locally to the COVID-19 pandemic, SDCF committed \$250,000 to match grants given by our partner Community Savings Accounts (CSA) for immediate needs across South Dakota.

In 2020, CSAs granted more than \$262,700 to address needs created by the coronavirus pandemic, including distributions to food pantries, backpack programs, senior meals, nonprofit daycares, economic development, personal protective equipment, and telehealth services, among others. SDCF granted more than \$212,000 in matching funds to 48 South Dakota communities in need.

Without the dedicated volunteer CSA leaders and the generosity of our donors, the impact made in South Dakota would not have been possible. Thank you for demonstrating the necessary role of philanthropy and substantial generosity in responding to the greatest needs in our state.

To learn more about SDCF's coronavirus response and reprioritization of grantmaking programs, please refer to page 31.

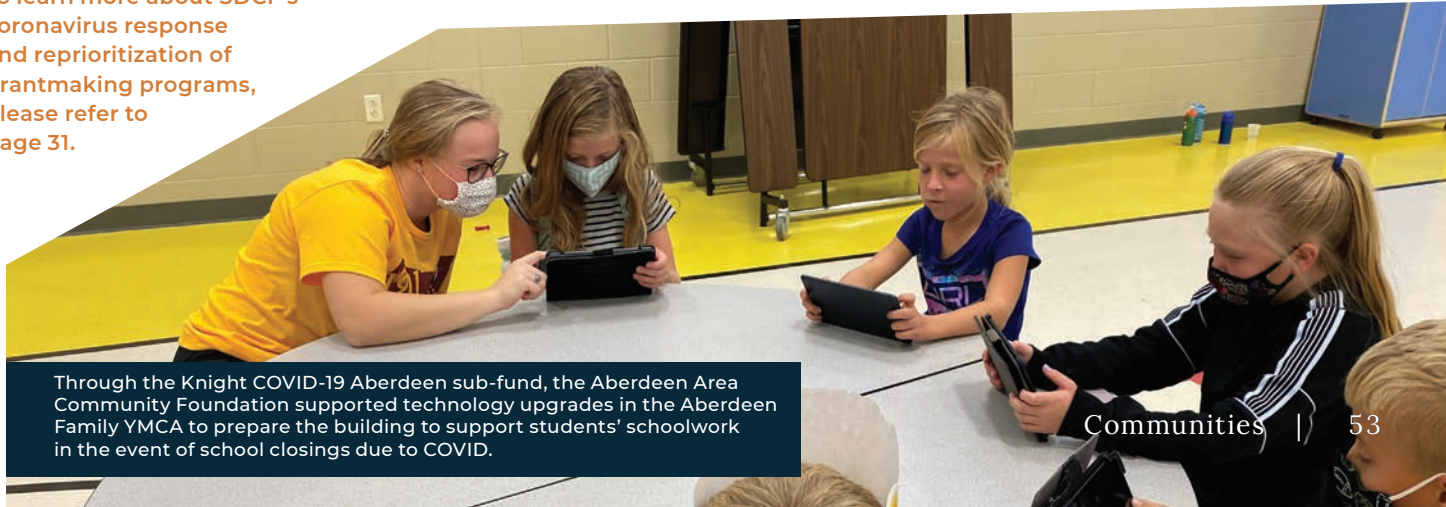

The Lead-Deadwood Community Foundation distributed a grant to the Boys and Girls Clubs of the Black Hills. The funds allowed the BGCBH to continue providing meal packages to members of the community during the pandemic. Funds were matched by the SDCF CSA COVID-19 Matching Fund.

Foundation Partnership Helps Aberdeen in Pandemic

Through a partnership with the John S. and James L. Knight Foundation, the Aberdeen Area Community Foundation (AACF) was able to make significant grants to address the impact of the pandemic in the Aberdeen area. In March 2020, the Knight Foundation committed \$225,000 to create the Knight COVID-19 Aberdeen sub-fund in the AACF. Throughout the year, the AACF made 14 grants for nearly \$143,000 to organizations in the area.

The sub-fund was meant to address immediate needs while also focusing on Knight Foundation's priority areas in Aberdeen. The first grant was the largest, \$40,000 to the United Way of Northeastern South Dakota's COVID-19 Relief Fund, which provided quick relief to local nonprofits. The other grants ranged from \$1,000 to nearly \$19,000 and supported programs that provided meals and winter clothes for people in need at all ages, projects to upgrade wireless services in after-school centers to prepare for potential school closings, a training program for healthcare workers, and support for networking and education for small businesses, among other efforts. More grants will be made in 2021.

These funds were a portion of over \$10 million Knight Foundation committed to its 26 Knight communities around the country, of which Aberdeen is the smallest.

Through the Knight COVID-19 Aberdeen sub-fund, the Aberdeen Area Community Foundation supported technology upgrades in the Aberdeen Family YMCA to prepare the building to support students' schoolwork in the event of school closings due to COVID.

Strong Investment Management

The ebbs and flows of the market require diligent analysis and constant oversight. The SDCF's investments are managed prudently to ensure long-term results.

INVESTMENT COMMITTEE GOALS

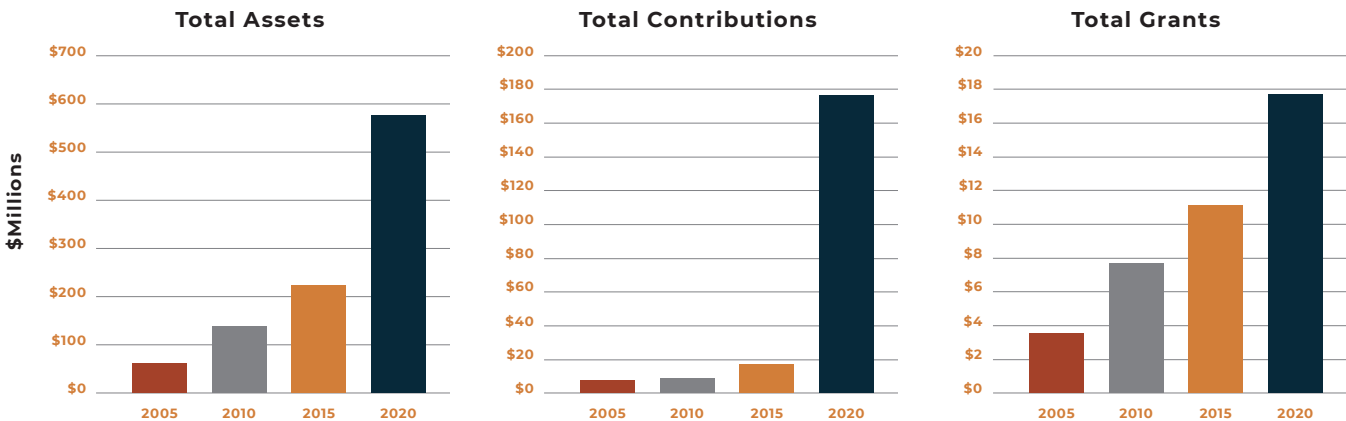

- 1. Protect**
donor's initial investment
- 2. Provide**
steady stream of income to support charitable causes
- 3. Produce**
growth in the fund over time

BENEFITS OF OUR INVESTMENT STRUCTURE

- Beneficial**
Partnering with the SDCF gives donors the maximum tax benefit. Our public charity status allows for tax-free investment income, so your charitable gifts can make the largest possible impact.
- Substantial**
We are the largest and only statewide community foundation in South Dakota. Our pooled endowment allows us to access investments at a lower cost, which leads to higher net returns.
- Knowledgeable**
Investment Committee members are experienced business leaders who meet regularly to guide the SDCF's investment strategy.
- Efficient**
Our administration fee is an industry low. Our staff files all grant, auditing and government reports. We also provide quarterly statements to update fund holders.
